Meeting called to order- 7:01 PM

Roll Call for Members and Attendees

Move to Approve Minutes: 1st: Aaron Woodard 2nd: Christina Witty

Treasurer Report:

Money coming in currently is from the Cornboil and Memberships, we will be posting the Financial Reports on the website soon (it is under construction)

Move to Approve Financial Statements: 1st: Christina Witty 2nd: Jon Bremner

AD BHS: Mark Anderson

Mark is settling in

Boys football has started as of last week (earlier this year) and all other fall sports have started today.

Cornboil is up next, we may need to have a rain contingency as weather this week has not been favorable. He will bring this up at the end of the meeting.

With Girls flag football joining the mix, the stadium will be VERY busy this fall.

AD RMS: Chris Peyton

Fall Sports have begun

RMS has 250 kids registered currently

This is RMS first fall using Snap for signups

Boys football numbers are up

They do not anticipate they will need BHS stadium at all this fall

Committee Reports:**Cornboil:**

August 14, 2026;

144 tickets sold

We had to order new signs for advertisement as we can not locate the old signs (everyone has looked for them)

They should come on Wednesday and need a day to dry so hopefully we can put them up on Thursday for the first day of school.

Sales are down because it is so early this year and weather.

Last 2 years tickets have picked up in the last 2 days leading up to the Cornboil

The tent is arranged, and no need for so many extra tables and chairs (like last year)

Dunk Tank only has 1 coach signed up so far

ADs for BHS and RMS were nominated 😊

Need at least 6 coaches

Volunteers are low - people needed on all shifts especially set up and clean up

Need the request to go to all parents from all sports

Need someone to pick up the corn on Friday and drop off to school - it's ok to set it up outside the main concession house

Accepting cash only on the day of

Need 4 money bags for the event (Dunk, Entrance, Pop, for extra corn)

Need to order 1 tablecloth roll since we are out

Have 3-5 "grillers" secured for the event

Marketing/Sponsorships:

Mike Morman not able to attend but he is working on sponsorships and getting through requests slowly

Membership:

95 Memberships sold so far - same as this time last year

Needs a master list of sponsors to Marsha so she knows who to give what packets to

Website:

Still a work in progress and under construction

Board has met with an individual who is redesigning it and presenting it to board next Monday

Liaisons:

Missing a few spots that need to be filled and looking for the following sports:

Boys XC

Boys Golf

Boys/Girls Track

Additional keys are needed as we are short and it makes it hard for Liaisons and concessions teams

Concessions:

All cornboil items that needed to be pre-arranged and ordered are here

Christina will be handling getting/arranging all other remaining items

Jon is picking up the Reams order

CW will work with concessions order for all inside food

Coach Jensen will get players to help move cases of drinks into the concessions stand

Question for AD to see if we can get soda ordered from GFS who the school uses

Special Events:

Need someone to take over and plan spring fling and also open to suggestions on changing the event if needed. The board will entertain all ideas.

Sturdy Shelter was last event – all teams donate a basket to raffle

Suggested maybe trying an Oktoberfest or even Golf event

Old Business: None

New Business:

There are 561 Athletes registered for Fall Sports at BHS this year

Working on a Rain contingency plan in case weather does not cooperate, we can move all of the booths inside to field house BUT NO FOOD inside

If just raining we can still have the event but if lightening in the area we have to cancel or move inside

Fall open house is in the gym this year but some of the sports also need the field house so this may get a bit chaotic

We can still sell spirit wear inside along with Membership booths

Mark will decide by Noon on Friday if we need to cancel the Cornboil

We have a contingency plan to offer anyone who prepurchased tickets to redeem them at a football game this season for a hotdog/brat, chips and water or soda

Our first football game is ALSO the IHSA Game of the Week and we will have

WLS/Sportsbook working alongside BHS Broadcast staff to cover the event. This game is against Maine South and we are expecting a very full house

Officer Reports: None

Adjournment: 1st Christina Witty 2nd: Aaron Woodard 7:45PM

Next Meeting: September 14, 2026
